

In the 2019 article on lifewire, the website reviewed their likes and dislikes for this application:

#### *What We Like*

- Closely resembles the official Geocaching app.
- There isn't a monthly payment requirement.
- Logging caches is easy with templates.
- Filtering options let you hide certain kinds of caches.
- Works with Apple Watch.

#### *What We Don't Like*

- The app isn't free.
- No Android version.
